FRA	AME COLOR	Tan	Check box to select Clay Bronze Blac				SCREEN TYPE Check box to select Standard Premium				Disclaimers: For all windows and doors, manufacturing tolerances are +/- 1/8". It is recommended that when ordering your windows "exact size", that you factor in a ¼" down size (width and height) from your opening. All units will have a spreader bar installed. For units		
							Great for letting in Rip resistance with a cool breeze. No-See-Um protection.				under 30" it's optional and must be noted on the order if they are not wanted. All door windows will		
FLE		EMORY Light Gr	Gray Dark Gray Bronze				SCREENED OPTION Check box to select Over-screened				not have spreader bars. Additional spreader bar(s, can be added to windows by noting accordingly. Inswing Doors are highly recommended to use a threshold. French Door kits come with astragal bar and note operating door location (OSLI). Note if any windows and doors will be mulled vertically and allow 2* for mull when calculating sizes - if unsure see PC Architectural Pack.
