Urban Gazebo

The Urban Gazebo is a modular, screened, snap together gazebo complete with an operative screen door, lantern hanger, and fiberglass screens. The Gazebo is shipped as 16 finished parts; 7 wall sections, 1 wall / door section, and 8 roof sections. These 16 sections snap together or are attached with built in fasteners, providing a 10' x 10' or 12' x 12' Gazebo. The Gazebo is a place where one can enjoy the peace and tranquility of nature, yet be shielded from the glare of the sun and freed from the annoyance of insects.
